Screenshot:

The screenshot shows a web browser window with the title 'Forms HTML'. The address bar displays '127.0.0.1:5500/forms.html'. The browser's tab bar shows several tabs: 'Agoda', 'Acer', 'New Tab', 'Monkeytype', 'https://visualskins.c...', and 'Watch TV Shows O...'. The main content area has a green gradient background and features a 'Profile Details Form' with a rounded rectangular border. Inside the form, there are three input fields: 'Enter your Name...', 'Enter your Email...', and 'Age: dd - mm - yyyy' (with a calendar icon). A 'Submit' button is located at the bottom of the form.
